Welfare

- ✓ Promotion welfare resources by building upon current welfare success. Inclusive of all students by ensuring any barriers to access are removed, including ease of communication via various mediums such as Facebook, email and pidges.
- ✓ Creation of space for relaxation and self care - liaising with college to provide room of comfort available for TV watching and self care activities. Basing on successes of other colleges such as Balliol
- ✓ More information on informal channels of communication for students who wish to report issues

JCR

- ✓ I have a wide range of interests, including social justice issues, sport and social events. I'm keen to work closely and support all JCR positions.
- ✓ Open dialogue with student population with other ICR representatives - listening to voices of student body through different methods like surgeries and anonymous suggestions.
- ✓ Encouragement of JCR participation - putting the constitution and an outline of JCR roles, online and on Facebook

St.Hilda's

- ✓ Continuation of student run bar - liaison with college representatives with a focus on facts and student welfare.
- ✓ Promotion of Hilda's university wide – inter-college events to create links throughout the university
- ✓ Increased links with alumni helping to providing opportunities with current students
- ✓ Food - healthier and more choice - less carbs, better salad bar and more veggie options

PASSIONATE, RELIABLE, FRIENDLY.
