

Lucy for Disability Officer!

I will:

- Hold regular disability teas and introduce the 'Bring a friend' policy to increase attendance while raising awareness of the disabled and specific learning difficulty community within college.
- Collaborate with other liberation officers in college to hold social events.
- Hold film viewings to raise awareness of issues surrounding disability.
- Set up a pigging treat scheme.
- Work with the peer mentors and develop an informal system to allow students to meet others in college with similar disabilities or learning difficulties.
- Liaise with disability officers at other colleges.
- Keep members of college informed of any events held by OUDC.
- Continue pressing for image descriptions on JCR Facebook posts and college emails.
- Provide assistance in completing forms and applying to DAS/DSA.
- Ensure events are accessible.
